## Artic Frontiers 2016 Conference

Friday 29 January will Managing director Lonnie Bogø Wilms give a presentation at the Arctic Frontiers 2016 conference. The presentation is about the Cooperation in Greenland between public sector, private sector and civil society in order to protect the envioment.

Arctic Frontiers 2016 will discuss the balance between resource utilisation and preservation, and between industrial and environmental interests in the Arctic. Arctic Frontiers brings academia, government and business together to create a firmer foundation for decision-making and sustainable economic development in the Arctic.
